Swim Days: A swim day is available for daytime hours (\$300) or evening hours (\$175). To have the swim event in the evening would have to take place on a Thursday. Diane will check to see if August 3rd or August 10th works to have a swim event in the evening. Diane will also ask the Park District if a Thursday or Friday would work best for a swimming event during the day. Motion to accept the swim day event- 1st (John); 2nd (Debbie).

Life Skills Class: There are two kids that have signed up for the Life Skills class. The class was not promoted and transportation for the kids is a barrier. If the class doesn't happen this summer, we hope to match it up with a life skills class during the school year. There will still be a Life Skills Class meeting at Spoon River College on June 15th to discuss further actions.

Next Meeting: There will not be a regular HAPT meeting in July. Instead, available HAPT members can meet at Spoon River College for the Life Skills Class meeting on June 15th.

Next Meeting: August 1st, 2023, at Spoon River College (Havana)/Zoom
